

Writ of Mandamus

to Compel hearing of writ of habeas corpus & writ of Coram Nobis in equity.

Now comes Bonnie Ruth Allen-Straight beneficiary of the BONNIE ALLEN THOMAS & BONNIE RUTH ALLEN, trusts, moves the Federal Court Judge & Magistrate to Schedule an immediate hearing on the writ of habeas corpus and Writ of Coram Nobis filed in to the court.

Sadly irreparable harm is occurring by the delay in relief. I was trafficked ~~by~~ for-profit, in to a for-profit Corporation known as "Texas Department of Criminal Justice." I am held here against my free will and forced to live in extreme torture conditions. Both the Linda Woodman Unit, and now the Hobby unit are in violation of their own corporate charters but the conditions are so extreme and barbaric they violate the "law of Nations." The women on the unit, including me, are forced to live in a 9X6 cell behind an iron door day after day in extreme Texas 100+ heat with NO Air conditioner. Many days on lock-down with NO justified reason why we cannot be in the Recreation room.

We are denied water for 5-6 hours at a time, The guards yell and curse at us and use profanity causing intentional emotional distress. We are many days fed only Peanut Butter + Jally on white bread Sandwiches which my body has lost over 30 lbs since 10 weeks of confinement. I am looking too thin and emaciated, I fear for my life. Many other elderly women over 60 which have severe health conditions also live in this sweltering heat with NO Compassion. I saw a woman 2 weeks ago pass-out from a heat-stroke. I am treated differently from the other inmates, I'm banished from commissary and from recreation without any real justified reason which limits my ability to gain nutritious food to Supplement what is given to us when we are fed PBJ Sandwiches on white bread. The Linda Woodman Unit Mail Clerk Violated 28 CFR 540.19 by opening my legal/lawful mail filed into a court case. The mail was opened without me being present and ^{then} they denied to give me my mail, the mail clerk has had no reason to be consciously indifferent to me I am

honorable and respectful at all times while I'm being held in this kidnapping, hostage taking scheme. My injuries are both physical and emotional as I need immediate relief from the harm done to me in the Johnson County 18th District Court the prejudice against me in my County is so outrageous and severe the civil servants laugh and mock me because I want to live my life in freedom and in peace without the malicious criminal and civil prosecution. My husband is also suffering too, our private/covenant with YHWH to live and love each other in holy matrimony has been impaired. We will not be able to gain the days/time back with each other, which we have lost due to the fraud of malicious criminal prosecution. Our injuries are irreparable and we both need relief. We have no remedy at law, which is why we are compelling the remedy in equity. I am so grateful for your quick response to have a hearing on both the writ of habeas corpus and writ of coram nobis. Please be merciful to the injustice we are forced to endure we need relief, remedy & restitution immediately.
